

# PPS ELEVATE

## BEST PRACTICE, BEST FIT

If you are ready to take your business to the next level and empower your staff with Smartsheet, PPS are here to make it happen. This session is aimed at organisations from any industry who already have Smartsheet within their business but know it isn't being used to its full potential. It's time to ELEVATE your business.

### Health Check

We will review of any current challenges and what are the business' goals followed by a health check to understand how your teams are currently using Smartsheet and how usage can be improved to alleviate pain points and reach goals.

### Knowledge Check

We will assess the knowledge and skillset of your users when using Smartsheet, to better understand their diverse needs to tailor to tailor training and support to maximise adoption rate, effectiveness of the solution and ultimately ROI.

### Report

You will receive a follow up report containing analysis of the Health & Knowledge Check from our qualified in-house trainer and Customer Success Manager, along with advice on tools and functionalities that can be applied straightaway.

### Advise

You will receive advice on the optimum solution to reach your goals, with guidance from PPS including training, consultancy and specialist support. We are on hand every step of the way to help you elevate your business.
